**STAR WARS** toys are part of the Onondaga Historical Association Museum's 1970s toys display.

## Did you ever solve Rubik's Cube?

How much did the younger ones clamor for the latest toys this year?

As Santa's slide down the chimney approaches, don't you just feel like sitting them on your own knee for a discussion about what ole' mom and dad had in their toy boxes back in the 1970s?

Or, you could take the family to the Onondaga Historical Association Museum's exhibit "Toys from Your Childhood: The Sensational Seventies!"

All told, there are more than 100 toys and games, and vintage photographs of Christmas and downtown Syracuse, too.
