Paranormal search at old Bell building

Onondaga Historical Association

Have you ever wanted to star on a paranormal show? Now is your chance.

Join the Onondaga Historical Association and the Paranormal Chef for a paranormal search of three floors of OHA's 111-year-old Bell Telephone building. We are now investigating our basement and first and second floors.

The Paranormal Chef will explain how to perform a search, and describe spirits already discovered in our building. He will then lead you on a 45-minute search, and will follow up with a question- and-answer period.

The event will be recorded live and produced on a DVD called "Paranormal Searchers," with you and OHA's paranormals as the stars.

Searches start promptly at 5, 6:15 and 7:30 p.m. Saturday at the Onondaga Historical Museum, 321 Montgomery St. The adults-only tours run 45 minutes.

Tickets are \$25 for OHA members; \$30 for nonmembers. Price includes the search and the DVD you will receive in the mail. Reservations are required; call 315-428-1864, ext. 312, through Friday, and ext. 313 Saturday. Provide your full name and address to receive the DVD.
