The Onondaga Historical Association recently acquired approximately 2000 books that will soon be available for purchase in their Gift Gallery Museum Store. The books were donated by Peter Copeland of Turn of the Century Editions, a publisher of books about the American Arts and Crafts movement. All of the books are related to the work of Gustav Stickley, some are actual reprints of his Craftsman catalogs. Titles include, Early Work of Gustav Stickley,Gustav Stickley After 1909, Craftsman Fabrics and Needlework, Craftsman Home Furnishings,What is Wrought in the Craftsman Workshops, Gustav Stickley - His Craft, Mission Furniture of L&JG Stickley and Furniture of the American Arts & Crafts Movement. With the future Gustav Stickley House project on the horizon, the donation of this extensive book collection could not have come at a better time for the OHA. Millions have been inspired by the craftsmanship of this early revolutionary and now you can be too. Stop down to 321 Montgomery Street to pick up a copy of one of these classic books and stay tuned to follow the progress of the Gustav Stickley historic property at 438 Columbus Avenue.
