Help the OHA save a piece of Onondaga County History!

The closing of Syracuse China means the end of an era...but you can ensure that the stories and the china of this wonderful piece of our history will live on for the benefit of future generations. The OHA **needs your help**....in "turning over" the Syracuse China collection from its Court St. plant to its new home at that OHA on Montgomery St.!

We are looking for people to donate their time and physical capabilities to help unload boxes of Syracuse China at the OHA Museum (321 Montgomery St). We will need volunteers to help from 9:00AM-12:00PM or 1:00PM-4:00PM on Wednesday, June 17th and Thursday, June 18th. If you would like to help but can't during the above hours please contact the OHA...we can always use your help in unpacking the boxes that will be delivered during the above times. Food and beverage will be provided. Shuttle or parking will be provided; details when you call the OHA!

If you are interested in volunteering please contact the Adrienne Quirk at (315) 428-1864 Ext 314.

Please note, volunteers must be able to lift and carry boxes with a maximum weight of 30lbs.
