

East students compete in OHA-sponsored History Day

The following was submitted by the Onondaga Historical Association:

Nearly 40 students received honors as the Onondaga Historical Association hosted the Central New York National History Day competition March 6 at Soule Road Middle School in the Liverpool school district.

More than 160 students and 13 teachers from Liverpool, North Syracuse, Fayetteville-Manlius and Manlius Pebble Hill schools participated in 27 categories for middle and high school students.

With "Innovation in History" as this year's theme, the students presented 134 projects in junior and senior divisions. The students researched topics related to the annual theme and presented their findings in one of five media: exhibit, performance, paper, Web site or documentary.

Forty-five individuals from as far away as Rochester and Utica volunteered to serve as judges and critique the students' works. Awards were given out in an afternoon ceremony that included entertainment. "He Said She Said: The Stanzas of Waterloo," the re-enactment of a Women's Rights Convention.

First- and second-place finishers will compete in the state contest April 30 in Coopers-town. Those winners will continue onto Washington, D.C. for National History Day.

Those interested in more information about the contest should contact the National History Day Web site www.nhd.org.

Junior Individual Exhibit

First: **Jenna Calvese**, Liverpool Middle School, The Mayan Calendars.
Second: **Stephan Wong**, Liverpool Middle School, The Dream of Steam: From Imagination to Innovation.
