

The four sample Hampton Terrace plates that had been at Syracuse China and then the Onondaga Historical Association Museum are finally at home back in Aiken County. An approximately 3-year correspondence between Brenda and Syracuse China and then the OHAM culminated in the sale of the four plates plus one from the Highland Park Hotel. The plates will be on display in the Hamburg/North Augusta Room here in the Museum. Many thanks to Bill Calnan (formerly of Syracuse China) and Thomas Hunter of the OHAM for their cooperation and friendship in making this happen.
