

CORRECTION / CLARIFICATION

Since publication of the Nonprofit Corner feature on the Onondaga Historical Association Museum and Research Center (OHA) in the April 8 issue of *The Central New York Business Journal*, we received new information about the organization's renovation-project funding sources.

The correct information is as follows: The total cost of the capital-improvement projects under way at OHA is approximately \$510,000. The façade restoration was additionally funded from a \$125,000 matching grant from the New York State Office of Parks, Recreation and Historic Preservation. The largest grant for the build-out of the retail store came from the Downtown Committee of Syracuse's Main Street Program. The fire-suppression system was funded by The Central New York Community Foundation, The Dorothy and Marshall M. Reisman Foundation, The John Ben Snow Foundation, the Onondaga County Legislature, The Gifford Foundation, and the Allyn Foundation.

The Nonprofit Corner also had some incorrect information on the dates of OHA events. The correct information is as follows: the Solvay Mansion and Garden Tour will take place on June 11, while the Oakwood Cemetery Ghostwalk is scheduled for June 17, 18, 24, and 25. □
