MILTON J. RUBENSTEIN
MUSEUM OF SCIENCE & TECHNOLOGY

One Place. Many Adventures.

Experience a time when Earth was a prehistoric landscape filled with creatures of gigantic proportions with **DINOMANIA!** Gape at a 15-foot tall Tyrannosaurus Rex as it towers over our guests! Hear a Pteranodon scream as it soars with its 25-foot wingspan! Interact with more than a dozen robotic dinosaurs as they snort and roar to greet our guests. Dig for fossils in the Earth Science Discovery Cave and finish off your time-traveling trip with **T-REX: Back from the Cretaceous** in the Bristol IMAX® Omnitheater. This will be the trip of a lifetime!

Calling all adventurers!

Visit www.most.org
 for hours, prices, and movie times.
