

OHA AT 150

Freeze of 1863

The Onondaga Historical Association is celebrating its 150th anniversary. Here's what was going on in 1863:

The whole length of Skaneateles Lake is frozen over and for the most part is as smooth as a mirror. For the third time in the history of Canada, the place where the Niagara River meets Lake Ontario has been completely bridged with ice.

— Daniel Connors of the
*Onondaga Historical
Association*
