

OHA AT 150**Syracuse, capital
of New York**

The Onondaga Historical Association is celebrating its 150th anniversary. Here's what was going on in 1863:

The Oswego Times proposed a discussion about moving the New York State Capital from Albany to either Syracuse or Utica. Local Syracuse citizens had long thought that Prospect Hill would make an ideal location for a new capitol building. Prospect Hill today is the site of Saint Josephs Hospital.
