

Celebrating the Rich History of Crouse

In June the Onondaga Historical Association presented its OHA Medal, which has been awarded just 20 times since its inception in 1945. The Medal is OHA's highest recognition to individuals, organizations and businesses that have made important contributions to the preservation, study and interpretation of Onondaga County history.

A recipient of this honor was Crouse Hospital Library Manager and Archivist Kristine Delaney for her work over many years of documenting and preserving the hospital's 126-year history and that of our College of Nursing, celebrating its centennial this year.

"It is significant to know that these histories are well cared for, thanks in no small way to Kristine's hard work," said Gregg Tripoli, OHA's executive director. In 2007, Kris collaborated with OHA on Crouse's 120th anniversary, along with an accompanying booklet and video.

Crouse is proud to serve as the host site for OHA's 17th annual Glorious Workplaces Dinner on Saturday, Nov. 9. Tours begin at 5 p.m., with dinner at seven. For information and tickets, call the OHA at **315/428-1864, ext. 312**.
