

History in the Palm of Your Hand

The Downtown Committee's popular Historic Walking Tour brochure has made the leap to a digital format, where visitors can access the tour at www.downtownsyracuse.com/walkingtour. The seventy-one stops from the printed brochure feature additional photos and historic stories courtesy of the Onondaga Historical Association. The digital version also provides users with walking directions between stops.

The walking tour site was built by Rounded and was funded through a Preserve America grant from the Department of the Interior, National Park Service. The Downtown Committee's walking tour brochure is one of its most popular publications and was recognized by the Central New York Recreation and Parks Society and the New York State Recreation and Parks Society in 2011.
